Fairmont
HERITAGE PLACE
THE CEDARS

Hi Enoch,

Our residences at Fairmont Heritage Place The Cedars will be finished in one of two themes. The palette of the first theme offers lighter, natural colors. The palette of the second theme offers darker, natural colors. Both themes were designed by award-winning Antrobus Design Collective in consultation with the Fairmont team. You will need to select which one of the two themes should be applied to your unit, and we will lock in that selection.

Here is what you need to do:

1. Review the attached PDF file to view the two color themes. Select the one that you would like for your unit.
2. Reply to this e-mail indicating your choice of either the LIGHT or DARK theme. Please also list the names of all buyers who are listed on the contract, including yourself.
3. If you have purchased more than one unit, even if combined, you will be receiving this email for each unit. You will need to reply to each one.
4. Your deadline to respond is April 18, 2025. If we do not hear back from you by that date we will assign a theme on your behalf.

Please review the attached PDF file that will outline highlights of the Light and Dark theme packages. The selections in each package have been finalized, and unfortunately we cannot make changes or substitutions. Still, I think you will agree that the selections are amazing!

Do not hesitate to let me know if you have any questions.

Sincerely,

Fairmont
